CORPORATE CULTURE

The business activity of COSTA & IRMÃO, LDA. is best defined by an incessant search for competence, seriousness, quality and rigor, in strict compliance with each specific contractual situation, as well as total transparency in the management of the professional relationship with its clients, partners and employees.

MISSION

To promote the supply of transformed ornamental stones that allow the appreciation, beauty and distinction of the spaces where they are applied, whatever the application or final destination may be.

VALUES

- Satisfying customer expectations and needs.
- Honesty in the development of the activity.
- Clear and clarifying communication accessible to all.
- Excellence in service and simplicity in acting.

02

SERVICES

Costa & Irmão is a Portuguese company with a passion for seeing natural stone realise its true potential. It is dedicated to the transformation and commercialization of granite, marble, limestone and compact quartz for Construction, providing everything from raw material to a wide range of finished products (flooring, coating, kitchen and bathroom countertops, and much more). The company also has as privileged areas of its business the design and production of items for interior and exterior decoration, not forgetting all kinds of stone products for funeral art.

Constantly projecting the future, Costa & Irmão uses cutting-edge technologies, combined with the experience and know-how acquired over more than 40 years of activity in this sector to carry out national and international projects in a professional way with a high-quality level.

More than supplying products, we offer our customers a full range of technical solutions and customized service, in order to always meet their expectations.

PRODUCTION

Continuously improving its services and products, Costa & Irmão recently invested in a massive technological update and upgrade of its equipments, having at the moment an innovative cutting, polishing and finishing integrated production line that, combined with the experience and technical skills of its human resources, allows the company to have an excellent level of efficiency and consequent increase of its clients satisfaction.

03

PROJECTS

In activity since 1977, Costa & Irmão has gathered an impressive and extensive portfolio of projects, covering construction industry, decorative art, funerary art, kitchen countertops and all types of raw materials and finished products for interior and exterior decoration.

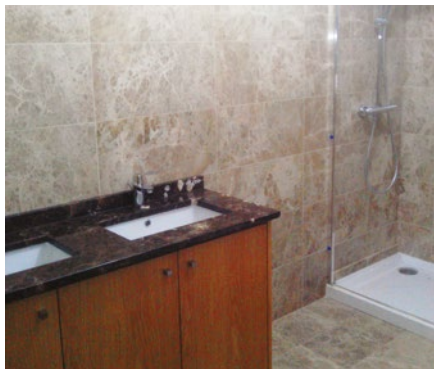

The following projects are only a small sample of the work that Costa & Irmão carries through.

OUR EXPERTISE, YOUR IDEAS.

- Cutting, Polishing and Finishing using state-of-the-art technology.
- Supply of all types of natural and composite stones, national and imported.
- Execution of all kinds of construction work, from the design to the finished product.

Costa & Irmão performs all kinds of stone works related to funeral art, namely, tombs, mausoleums, tombstones, accessories and other decorative pieces.

FUNERAL ART
